

Crock Pot Beef and Barley Stew

Here's your history lesson for today, folks... let's learn about barley. If you are a "meat and potatoes" kind of person, barley is a great item to add to your grocery list. Barley rations go all the way back to biblical times, I think, it's healthy, hearty and inexpensive; is one of the world's top harvested

grains; and here's a fun one— one of its main purposes is for producing beer and malted beverages.

Now that you've done your studies, let's prepare your eats! This stew is meaty and thick and satisfies the hungriest belly. It is a meal in itself, but I prefer a small bowl of it with a side salad— and a beer, so I can be consuming barley in multiple forms. □ This is a nice variation to the common beef stew.

On a nice fall day like today, your house will be filled with the warm smell of meat, vegetables and an easy dinner. Enjoy!

1 lb. beef stew meat chunks

1 c. baby carrots

4 stalks of celery, cut into chunks

1/2 medium onion, diced

3-4 cloves garlic, chopped

1 15 oz. can diced tomatoes, NOT drained

1 cup pearl barley

3 c. water

1 t. black pepper

1 t. salt

1 t. celery seed

Add all ingredients to the crock pot in this order. Give a little stir, just enough to promote mingling. Cook on low for 6-8 hours.

Sarah's Vegetable Chili

I love when my friends and fans share their recipes... everyone loves a good crock pot dish that is worthy of sharing! So from one crock pot fanatic to another, here is Sarah's recipe for vegetable chili. It sounds like a great way to use fresh produce and also make a vegetarian dish that will fill everyones' bellies with happiness. I especially like her tools of measurement. Enjoy!

Chop one metric crap-ton (that's 1 HUGE zucchini, 3 small bell peppers, 2 big handfuls of green and wax beans and 2 ears of corn, hulled) to bite-sized pieces and drop into crock pot. Add 3 (15 oz) cans of beans (I used pinto, kidney and dark kidney). Stir to combine.

Separately, combine 1 (8oz) can tomato sauce, 1 (6 oz) can tomato paste, 4 cloves minced garlic, 4 T chili powder, 1 T dried mustard powder, 1 t oregano and 1 t ground cumin. Plop over veggies.

Add 1 box (4 C) vegetable stock. (I like wetter chilis, but you can use less if you prefer a chunkier chili). Stir to combine and coat all the veggies with the chili goodness.

Pop on low for ... I think mine was on for about 10 hours, so I'll go with the 8-10 hours on low. At this point, you can add cooked elbow noodles, sour cream, cheese, fresh onion...whatever you like.

I'm thinking carrots would sweeten it up a bit if that's what you like. OOH! I bet barley would be good too...Lookie at me, cooking without a complete recipe. My sister would be so proud! ☐ Next recipe will be filled with "a pinch of" and "a dash of" and "half an eggshell of"..."
