

Crock Pot Cherry Pie Oatmeal

This dish is a perfect weekend breakfast!

This was a crazy weekend! School is back in session, the weather is still warm, and my calendar is booked. I love it. It's this type of crazy that makes me smile– and sleep well! But when I wake up, it feels like I'm set on low for hours. So I decided on Friday night that I would whip up a batch of overnight oatmeal to help brighten up my weekend morning.

When people talk about having a stocked pantry, oatmeal is pretty much a staple. Steel cut, instant, quick oats... there are lots of kinds and they are all pretty basic. I happen to have steel cut oats right now, so that's what I used, but in other recipes, like my [Crock Pot Purple Oatmeal](#), I use regular oats, too. Another staple that I keep on hand, are frozen fruits. They work great in smoothies, but also are the perfect addition to overnight crock pot oatmeal.

There are very few ingredients in this recipe, but the combination is well worth waking up for in the morning. You can handle sunrise, too, if you start it with something that tastes like pie.
