

Crock Pot Split Pea Soup (Vegetarian)

This classic soup is a smoky vegetarian delight on a cold winter's night.

I don't usually put specific tags in the titles of my posts, but I think it's really important on this one. It should really say... Crock Pot Split Pea Soup #noham but still #tastesyumy! Haha. I made those up. So this soup is hearty and delicious and still has a great smoky flavor, but doesn't include the typical ham hock that you throw into the pot to add flavor to the broth.

This soup will also freeze and/or reheat really well. Keep this recipe tagged if you are going to bring a dinner to friends (great meal for someone ill, new baby, new home, etc.). Note to self- you might think, oh I'll just double it so I have some for me and some for someone else or later. But you are better off making two batches. You can't really fit 8 cups of broth in most crock pots and the ratio in this recipe makes it the right thickness without crowding the pot. YES-

this does give you permission to buy a [new crock pot](#) so you can double the batch easier! ☐
